

2019 PDA Italy Chapter Congress and Exhibition

***“Single Use and Innovation Technologies to face new
Regulatory Challenges”
21st and 22nd November 2019, Rome
Congress with site visit***

Call for Papers and Posters

Scientific abstracts of papers and posters not previously published or presented at scientific meetings are being sought for presentation at: **Single Use and Innovation Technologies to face new Regulatory Challenges**, which will be held 21st and 22nd November 2019 in Rome, Italy.

The event will include discussion roundtables, workshop, sponsors presentations and the visit of an Injectable manufacturing site, close to Rome.

Abstracts must be non-commercial in nature, describe new developments or work and significantly contribute to the body of knowledge relating to pharmaceutical manufacturing, quality management and technology. Industry case studies demonstrating advanced technologies, manufacturing efficiencies or solutions to regulatory compliance issues are preferable and will receive the highest consideration.

All abstracts will be reviewed by the Program Planning Committee for inclusion in the meeting or in poster sessions.

ABSTRACTS MUST BE RECEIVED BY THE 15th September FOR CONSIDERATION.

PDA Italy Chapter is seeking presentations that present major challenges and approaches to resolution in the following main areas:

- Disposable Technology implementation in pharmaceutical production including:
 - Critical aspects and main challenges;
 - Qualification approaches;
 - Regulatory impact;
 - Production implications (production efficiency);
- Industrialization process of Disposable Technology Utilization;
- Industry case studies;
- Alternative and creative applications of the Disposable Technology.

Presentations related to other areas, would be accepted and evaluated by the Planning Committee.

Commercial abstracts featuring promotion of products and services, will not be considered. A dedicated time will be reserved for Sponsors presentations.

Presentations should be designed for a delivery time of 30 minutes.

2019 PDA Italy Chapter Congress and Exhibition

***“Single Use and Innovation Technologies to face new
Regulatory Challenges”
21st and 22nd November 2019, Rome
Congress with site visit***

[You should send via e-mail an electronic copy of the abstract at: pda@pda-it.org](mailto:pda@pda-it.org)

Please include the following information:

- Title;
- General category of presentation (see proposed topics above);
- Presenter’s biography (approximately 100 words in length);
- Additional authors;
- Full mailing address, phone number and e-mail address of the presenter;
- Summary of the presentation;
- Target audience (by job title or function);
- Explanation of specific benefits to target audience for attending this presentation.

Upon review by the program committee, the scientific committee will advise submitters in writing of the status of their abstract after **20th September 2019.**

PDA Italy Chapter will provide one complimentary meeting registration per presentation. Additional presenters will be required to pay appropriate conference registration fees.

With the exception of regulatory speakers, all presenters are responsible for their own travel and lodgings.
