*Senior Technical Service Coordinator
Microbial Solutions | Charles River*

Italy Chapter

Connecting People, Science and Regulation®

Benvenuti – Il webinar inizierà tra pochi minuti

Who we are...PDA in the world

- **PDA (Parenteral Drug Association)** is a pharmaceutical no-profit organization founded in 1946
- Leading **global provider of science**, technology, and regulatory information and committed to developing scientifically sound, practical technical information and expertise to advance pharmaceutical/biopharmaceutical manufacturing science and regulation with the final purpose of better serving patients
- PDA's governance is based on **regional chapters**: 14 chapters in USA and Canada, 4 chapters in EU (France, Ireland, UK and Italy), Israel, 1 chapter in LATAM and 6 chapters in APAC

Our mission:

« Connecting People, Science and Regulation »

Why join PDA?

- **Being part of an international pharma community:** exchange of knowledge, experience and challenges;
- **Regular updates** from PDA Global on industry trends, regulatory requirements and technological innovations:
 - [PDA Glossary of Pharmaceutical and Biotechnology Terminology](#)
 - [PDA Letter](#)
- **Connection to regulatory authorities;**
- **Free availability** of technical documents and reports:
 - Access to the full contents of all active Technical Reports on the [Technical Report Portal](#)
 - Industry-critical research at the [PDA Journal of Pharmaceutical Science & Technology](#).
- **Advantageous discounts** in joining PDA US, EU and IT events.

WEBINAR

DEPIROGENAZIONE: DAL PDA TECH REPORT 7 ALLA SERIE USP 1228

 Alessandro Pauletto

 21 Aprile

 11:00 • 12:00

GUEST SPEAKER:

Dr. Alessandro Pauletto

Senior Technical Service Coordinator
EndoSafe Support Charles River Microbial Solutions

Alessandro Pauletto è attualmente Senior Technical Service Coordinator della divisione Microbial Solutions. Fa parte del team EndoSafe support, nel quale si occupa di assistere i clienti a livello global su domande tecniche e scientifiche riguardanti il LAL test.

Laureato in Scienze Biologiche, ha iniziato la sua attività in Charles River come Account Manager nel 2005, focalizzandosi sul LAL test e collaborando anno dopo anno con moltissimi clienti nello sviluppo di metodi di analisi.

E' parte dello Steering Committee di PDA Italy Chapter collaborando attivamente nella realizzazione di corsi interni al PDA su argomenti relativi alla sua specializzazione
